PREMIUM TABLEWARE PORCELAIN

INTRODUCTION

Welcome to our new format downloads which are aimed to provide focused and inspirational information on each main brand and functional areas such as Afternoon Tea etc.

Please visit our website regularly to explore the series of downloads as we build them.

Each download will provide inspirational food images, the range of products for each brand and functional area, along with information on whether we carry an item as **Core Stock** (which means we will usually have a good level in stock at all times). **Core Stock** items will be identified by a ● alongside each item.

If items are identified as a **Special Order** with a □ then, even for samples, we will need to place an order with the supplier. This usually applies to hand-made products or where items are available in a range of glazes.

We hope you will find our new way of providing 'catalogue' information more useful and will help provide some inspiration to enable you to make the best choice.

We are always available to provide you with in-person help, via our friendly Customer Services team or at our London Showroom.

SUMISURA

Each item, modelled and decorated by hand in Italy; Sumisura is brand which is the antithesis of mass production. Offering ingenious shapes and effects, the collection offers the artist's base, begging to be adorned with incredibly beautiful food. Made in Italy by experienced craftsmen, Sumisura is not made to suit fashion. It has an aim to be timeless. To be appreciated for itself and not to follow in any trend path.

We love this brand because it is unashamedly original and we are proud to present these products because our clients will recognise that same quality in themselves.

We have curated a selection from what we consider to be the best items from the collections but we have held back some designs for those who seek products which offer even more opportunity for exclusivity.
